

Teaching Positions for 2020-2021 School Year:
SCIENCE TEACHER (High School Program)

Description: Seeking Christian role model teachers who will enable students to develop competencies and skills and help form responsible leaders for tomorrow.
Seeking teachers who will provide students with appropriate learning activities and experiences in academics to help students fulfill their potential for spiritual, intellectual, emotional, physical and social growth.
Seeking highly energetic, motivated and innovative teachers who are able to implement various teaching strategies in order to accommodate the students' different learning styles.

Minimum Qualifications:

- Teachers must hold a bachelor's degree in the area they are assigned to teach or a degree with a minimum of 18 content area hours in that field as well as 12 education hours.
- Technology proficiency is required of teachers who will be integrating technology into the content areas.
- Additional duties as assigned by the immediate supervisor.
