Dear Friend of Providence,

In this changing educational landscape, Providence Catholic School remains solid in its mission of providing a program of academic excellence grounded in faith and trust in a Provident God.

Providence continues to prepare young women of diverse backgrounds for the world of tomorrow and encourages them to develop intellectual curiosity, deepen their faith, practice integrity, and seek justice.

The stories of thousands of alumnae are being lived each day by today's generation of ***Provets***. We call it ***Providence Power***.

Today's tuition covers 80% of the cost to educate a student- \$6,500/Middle School and \$9,900/High School. We rely heavily on the generosity of our Supporters to help cover the remaining amount so that we may keep our doors open and make a difference one girl at a time.

Today, we ask you to **support Providence Power and the mission of Providence Catholic School** through your financial gift, which will be utilized for the general fund, tuition assistance, enhanced technology, or a designated specific initiative of your choice.

Your gift will build upon the legacy of educating women for 68 years, so that we may continue to shape the lives of young women from all areas of San Antonio and beyond into the best of what our community has to offer.

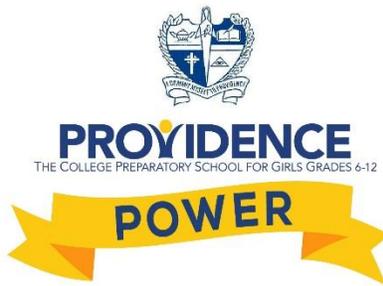

Thank you for your commitment to Providence and for continuing the legacy of our founders, the Sisters of the Congregation of Divine Providence.

That's ... the Power of Providence.
