Dear Partner in Mission,

Providence Catholic School (Providence), the college preparatory school for girls in grade 6-12 appreciates your support during our 2023-2024 school year. This spring, our Athletic Department will host our annual Providence 5K!

Our **16th Annual Providence 5K Run/Walk on March 2, 2024** will be hosted on our beautiful downtown campus. Our race will enter the Museum Reach of the Riverwalk and continue on to the Pearl before returning back to our campus. Over 200 runners are expected to participate in this event. We will also host a vendor/health fair on campus for participants to enjoy.

The Providence athletics program has over 100 young ladies grades 6-12 competing in volleyball, basketball, softball, cross country, bowling, swimming, golf and track. Your donation is greatly appreciated to help Providence in its mission to empower women of faith and intellect.

Providence is a 501(c)(3) nonprofit organization established by the Sisters of Divine Providence. Since 1951, Providence has helped more than 6,000 young women reach their potential. Providence achieves a 100% graduation rate, 100% college acceptance, and this past year alone, each graduate earned an average of \$245,000 in scholarships and awards.

As support for your contribution, attached are the appropriate Sponsorship Forms. We look forward to your support of Providence and our events this March.
