THE COLLEGE PREPARATORY SCHOOL FOR GIRLS GRADES 6-12

## A Look Ahead Newsletter

### Explore Providence

We want to invite our current students, parents and faculty to share our upcoming admissions events with friends and family. Over the next few months, we have several fun, family events planned. These are great events to bring a prospective family or friends who would be a great addition to our Providence community.

Look out for the promotional emails and social media posts about admissions, inviting others to **Explore Providence!** It is our collective responsibility to share these with all potential future Provets! We want more young girls to experience what the Providence community and *Provet Sisterhood* is all about.

The next **Explore Providence** event is **October 21st from 5-7pm**. This event will include in-person private tours and virtual options, as well as our academic showcases. In order to limit the number of people on campus, our teachers and students have assisted with videos to help tell our story to prospective families and provide our welcoming Providence spirit.

For additional information about Admissions, please contact [Liliana Pando](#), Admissions Director.
